Produced in association with the Royal Horticultural Society, the titles in this series have become standard works of practical gardening reference. Each book is illustrated with easy-to-follow, step-by-step illustrations that clearly guide the reader through all the essential techniques of successful gardening. Beautiful garden creation often calls for basic

DIY skills, such as carpentry and bricklaying. This book presents design options and provides step-by-step instructions for carrying out each task, including selecting garden gates, steps, pergolas, arches, sheds, rock/water features, and furniture.
