Paul Fersen : Great Hunting Lodges of North America: Wingshooting's Finest Destinations before purchasing it in order to gauge whether or not it would be worth my time, and all praised Great Hunting Lodges of North America: Wingshooting's Finest Destinations:

1 of 1 people found the following review helpful. Awesome Book
By John Ross I definitely would recommend this book to any hunter, outdoorsman, or anyone who appreciates the bird hunting terrain of our country. This was a gift for my father, and it was a big hit with him.
1 of 1 people found the following review helpful. Excellent book!!
By Charles E Barnes The photography in this book is EXCELLENT. The only drawback is that now I want to visit every lodge mentioned....but my bank account isn't cooperating.

By Collignon Yann Great book

This exclusive tour of the most storied hunting destinations offers a look at the finest upland and waterfowl hunting and celebrates the great American sporting tradition. Escape on the hunting trip of your dreams with Great Hunting Lodges of North America. This lavishly illustrated book is a must-have for any outdoorsman who dreams of hunting wild grouse and woodcock in the remote Maine wilderness, participating in an authentic plantation-style quail hunt in southern Georgia, or tracking down wild pheasant in the rolling Montana landscape, as well as those who want to

bring the lodge lifestyle home. Profiles of each destination, including detailed information on the local game species and wildlife, as well as the lodge and the surrounding countryside, complement the beautiful, hunters-in-action photography by some of Americas best outdoor photographers.

"If you need to feast your imagination on angling destinations where the quality of fishing is matched by the quality of accommodations, dining, and fireside creature comforts, treat yourself to Orviss Great Fishing Lodges of North America: Fly Fishing's Finest Destinations (Rizzoli International Publications, hardbound, 240 pages, \$50). This book stands on its artistic merits as a beautiful photographic album of fly-fishing in North America. But its main purpose is to identify 47 top-drawer fly-fishing venues, some at the edge of whats left of wilderness and some tucked away remarkably close to what passes for civilization. Youll find not only the obvious allure of Alaskan lodges but also of Chathams Bar Inn on Cape Cod, the Homestead in western Virginia, Blackberry Farm in the Great Smoky Mountains, and the Ocean Reef Club in Key Largo. The mountain west and southwest are well represented with more than 20 lodges, ranches, and resorts for all sorts of piscine quarry as well as a half dozen camps and lodges in Canada. Author Paul Fersen offers crisp, informative descriptions of each venue, including, of course, the species to be fished for in these stunning settings. Fersens book will considerably lengthen your bucket list." ~Gray's Sporting Journal "Great Hunting Lodges of North America: Wingshooting's Finest Destinations (Rizzoli) is a lavishly illustrated look at the very best upland and waterfowl hunting destinations around... Even if you're merely an armchair adventurer who's never fired a shotgun the great outdoor photography is worth the price of admission in its own right." ~Luxist "A really beautiful coffee table book... Great Hunting Lodges of North America Wingshootings Finest Destinations is a collection of photographs of nature shots and hunting lodges beyond my comprehension. These lodges are almost as magnificent as the natural surroundings they are located in. Great Hunting Lodges of North America is produced by Orvis in conjunction with the Rizzoli publishing house. A companion book featuring the Great Fishing Lodges of North America also is available." ~Northwest Herald About the Author Paul Fersen has been with the Orvis Company for sixteen years. He has been published in Grays Sporting Journal, Yankee Magazine, and Stratton Magazine. He is also the author of Rizzolis Great Fishing Lodges of North America. The Orvis Company began in 1856 as a fishing and hunting company and is now the nations oldest mail-order business.
